Aluminium Spirit Level, 2 Handles, 1000 mm

Overview

Aluminium spirit level with 2 handles and a 1000 mm shockproof body made from an aluminium profile with 1.5 mm wall thickness. Features three vials indicating plumb, level, and 45° angle of inclination. Large, comfortable handles make measurements easy to take. Both ends of the spirit level are protected by bumpers made of flexible, impact-resistant plastic. Lacquered surface finish.

Key Technical Specifications

Grip	Yes
Length	1000 mm
Material	High-quality aluminium profile
Shockproof	Yes
Surface Finish	Lacquered
Wall Thickness	1.5 mm
Number of Vials	3
Manufacturer Code	5906083930249
Spirit Level Accuracy	1 mm/m = 0.057°

Key Points

- 1000 mm shockproof aluminium body with 1.5 mm wall thickness
- 3 vials: plumb, level, and 45° inclination
- Accuracy: 1 mm/m (0.057°)
- Large, comfortable handles for easy measurement
- End bumpers made of flexible, impact-resistant plastic
- Lacquered surface finish
