

Yato | Code YT-3610 | Sku 103610

Lazy Tong Riveter 2.4–6.4 mm

Overview

Lever riveter for 3.2–6.4 mm rivets. Compatible rivet head diameters: 2.4, 3.2, 4.0, and 4.8 mm. Achieves permanent connections by locking embedded rivets into holes through tightening of the riveting tool jaws. Jaws are made of durable CrMo steel. Features an aluminum body and PVC-coated steel handle. Includes 3 jaws.
