Yato | Code YT-4730 | Sku 104730

4-Piece Go-Through Pry Bar Set

Overview

The YT-4730 pry bar set consists of four forged carbon steel levers designed to handle the toughest professional challenges. An ideal solution for workshops, service centres, and home garages. The bars are forged from carbon steel for exceptional durability, hardened to approximately 38 HRC for long tool life, and feature ground working parts for precise prying. Comfortable plastic grip handles provide a secure hold, and the pounding function increases overall tool versatility. Four varying sizes allow optimal adaptation to each task.

Key Technical Specifications

Profile	Hexagonal
Hardness	38 HRC
Material	Carbon steel
Set Contents	Pry bar x4 (198x6x6 mm, 304x10x10 mm, 456x10x10 mm, 608x12x12 mm)
Surface Finish	Painted
Number of Pieces	4
Handle Protection	Yes
Working Part Finish	Ground
Pry Bar 1 – Weight	110 g
Pry Bar 2 – Weight	292 g
Pry Bar 3 – Weight	479 g
Pry Bar 4 – Weight	745 g
Go-Through (Pounding) Function	Yes
Pry Bar 1 – Dimensions (L x T x W)	198 x 6 x 6 mm
Pry Bar 2 – Dimensions (L x T x W)	304 x 10 x 10 mm
Pry Bar 3 – Dimensions (L x T x W)	456 x 10 x 10 mm

Pry Bar 4 – Dimensions (L x T x W) 608 x 12 x 12 mm

Key Points

- Set of 4 forged carbon steel pry bars for professional use
- Hardened to approximately 38 HRC for extended tool life
- Ground working parts for precise and controlled prying
- Hexagonal profile with pounding function for added versatility
- Comfortable plastic grip handles for a secure, fatigue-reducing hold
- Painted surface finish for corrosion resistance
- Four sizes included: 198 mm, 304 mm, 456 mm, and 608 mm
- Suitable for workshops, service centres, and home garages

Warnings

- Use of hand tools may be dangerous. Always wear appropriate personal protective equipment.
- Use only proper, undamaged tools.
- Select the type and size of tool according to the intended application.
- Do not overload tools.
- Keep tools away from children.
- Use tools with proper care.
