

Yato | Code YT-55300 | Sku 1055300

Roller Cabinet with Tools Insert, 177 Pcs

Overview

YATO brand service cabinet with tools. Features: 6 drawers on ball bearing slides with a load capacity of up to 25 kg (3 top drawers) and up to 35 kg (3 bottom drawers), 12 replaceable inserts (modules) of YATO tools, 177 components total, central locking with 2 keys and individual locking for each drawer. Profiles are made of double sheet steel. The workshop cabinet has corner bumpers that protect against accidental damage (e.g. to car bodywork). Additional features include a non-slip work surface, 125 mm rubber wheels (including 2 with brakes), universal wall perforation, and double walls. An indispensable tool cabinet for car workshops and vehicle service stations.
