# Folding Knife with Screwdriver Bits

## Overview

The professional and versatile YT-76031 folding knife combines a sturdy blade with a practical bit holder. Ideal for tasks requiring precision and convenience. Features an 80 mm full drop-point blade for precise cutting, one-handed opening for quick deployment, and an accidental closure lock for safe use. The ergonomic metal body provides a secure and comfortable grip. Includes a built-in magnetic bit holder with 8 bits for easy replacement and secure holding, plus a belt pouch with Velcro for comfortable transport. Suitable for general construction, service work, and amateur applications. Made from durable 420 stainless steel with a hardness of 58 HRC for excellent and long-lasting sharpness.
