Recommended Load Concrete	1.10 kN for concrete $\geq$ C20/25
Building Materials	Concrete, Solid sand-lime brick, Natural stone with dense structure, Solid brick made from lightweight concrete, Solid brick
Material	High-quality nylon
Quantity	50 pcs
Packaging	Folding box
Gtin	4006209501108

Description

The fischer S 10 is a rimless nylon expansion plug with an anti-rotation lock. It is suitable for pre-positioned and push-through installation, and accepts wood and chipboard screws.

Key Features

- Rimless design allows deep installation below plaster
- Anti-rotation lock helps prevent rotation in the drill hole
- Slimline geometry supports easy insertion
- Suitable for pre-positioned and push-through installation

Applications

- Pictures
- Lighting
- Letter boxes
- Motion detectors
- Information boards
- Curtain rails
- Electrical installations

What's Included

- 50 x fischer S 10 nylon expansion plugs
- Folding box packaging
- Screws are not included
