Key Technical Specifications

Type	Soft-Close Full Extension Slides
Depth	12,7 mm
Height	45 mm
Length	400 mm
Weight	1.103 kg
Material	Zinc-plated steel
Load Capacity	30 kg/1 pair
With Soft-Close	yes

Key Points

- The full extension slides have a soft-close damping piston on both sides, ensuring gentle closing of the drawer. The slide extends 395 mm beyond the cabinet body. The slide is designed for side mounting using screws or bolts, which are not included in the pack.
- The full extension slide is made of high-quality steel and subsequently zinc-plated. The slide offers smooth operation and very high stability. The load capacity of the set is up to 30 kg/1 pair. The load capacity corresponds to one pair.
