Key Points

- Combine also with handles in a similar style/colour/surface finish.
- Modern furniture knobs are a selection of the most popular pieces among our customers and at the same time set the trend in the world of furniture design. In terms of finish/colour, these are mainly black, porcelain, nickel or brass knobs. They are an excellent complement to high-gloss door surfaces, natural materials, modern wood decors or rustic furniture. By choosing these knobs you will fit into styles such as Scandinavian, industrial or loft.
- To install the knob you will need a Phillips screwdriver, and if you do not have pre-drilled holes, a cordless drill, drill bit, pencil, tape measure and a square.
