Key Points

- Combine with handles in a similar style/colour/finish.
- Currently very popular knobs in rustic style are becoming a trend of today. The essence of rustic style is solid wood worked in various ways and other natural materials such as exposed brick, stone, metal or concrete/marble furniture finishes. In recent times, simplicity, clean lines and an elegant style have been added to this classic style typical of country cottages. Rustic handles and knobs have become a stylish accessory for chests of drawers, Provence kitchens and all kinds of furniture, pairing beautifully with warm wood or white furniture decors.
- To mount the knob you will need a Phillips screwdriver, and if you do not have pre-drilled holes, a cordless drill, drill bit, pencil, tape measure and square.
