Short Working Trousers Size XL

Overview

Short work trousers featuring seven pockets, including four secured with Velcro fasteners. The main material is a cotton-polyester blend, combining the strengths of both fibres: increased tear resistance and good air circulation. Front section features two large pockets with reinforced bottoms (additional inner material layer) and a small flap pocket on the right side fastened with Velcro. Left leg has a large flap pocket with Velcro; right leg has a narrow pocket suitable for a utility knife. Rear section features two large flap pockets fastened with Velcro. Waistband includes a front carabiner/key loop, side elastic inserts, and a zipper plus large button closure. Double seams are used in areas exposed to tearing. Compliant with Regulation (EU) 2016/425 for work clothing, Category I.
