Yato HPPE Anti-Cut Safety Gloves – Size 10

Key Technical Specifications

Size	10
Quantity	1 pair
Material	HPPE with PU coating
Standard	EN 388:2016
Protection Category	II
Cut Resistance	Level B
Tear Resistance	Level 4
Abrasion Resistance	Level 4
Puncture Resistance	Level 3
Blade Cut Resistance	Not rated
Stitch Gauge	13g

Construction

- Seamless high-strength polyethylene (HPPE) upper
- Black polyurethane coating on gripping area
- Thick PU coating for added cut and abrasion protection
- Flexible cuff

Protection Highlights

- Type B anti-cut protection
- Highest abrasion resistance (Level 4)
- Highest tear resistance (Level 4)
- Puncture resistance (Level 3)
