

Wiha | Code 42062 | Sku 816049

Wiha Automatic Stripping Tool | 200 mm | 8"

Key Technical Specifications

Length	200 mm / 8"
Stripping Range	0.03 – 16 mm ²
Adjustable Length Stop	5 – 21 mm

What's Included

- Insertable recoil damper
- Changeable cutting insert stored in handle
- Exchange aids stored in handle

Maximum Capacities

- Flexible conductors cut to length: up to 16 mm²
- Rigid conductors cut to length: up to 6 mm²
- Skinning/stripping: 0.03 – 16 mm²

Applications

- Automatic cable stripping and skinning
- Trimming cables to desired length
- Precise handling via adjustable longitudinal stop

Safety & Comfort

- Integrated hand protection on blade
- Automatic closing function guards against injury
- Prevents accidental damage to cables in assembly
- Damper reduces recoil for gauges 6 mm² and above
- Whisper-quiet function
- Lockable handle for secure, space-saving transport
