

Yato | Code YT-08890 | Sku 1008890

Hermetic Toolbox 465x355x205mm

Overview

Safe transport in any conditions. Ensure maximum safety for your valuable tools and equipment with the hermetic case YT-08890. This reliable solution is perfect for every journey and in any, even the most challenging conditions. Tool safety in any conditions: total water and dustproofness (IP67) protecting contents from moisture and contaminants; resistant to shocks, mechanical damage, and corrosion ensuring long-lasting equipment safety; protects against certain chemicals, increasing versatility of use; automatic pressure relief valve essential for air transport; possibility to connect with case YT-08895 creating a mobile set with increased capacity; made of durable technical polypropylene ensuring durability and lightness; foam insert with pre-cuts allows for perfect interior fit for stored items; hermetic cover closed with four-point clasps for secure protection; holes for additional padlocks increase security against theft; convenient, ergonomic handle facilitates carrying the case. Detailed technical data — Material: technical polypropylene (PP); Protection class: IP67 (water and dustproof); External dimensions: 465 x 355 x 205 mm; Internal dimensions: 410 x 305 x 185 mm; Wall thickness: 10 mm; Foam insert: yes, with pre-cuts; Pressure relief valve: yes; Connection possibility: yes, with model YT-08895.

Key Technical Specifications

Grip	yes
Brand	Yato
Handle	no
Symbol	YT-08890
Wheels	no
Material	PP
Shockproof	yes
Waterproof	yes
Foam insert	yes

Side handle	no
Producer code	5906083118890
Wall thickness	10 mm
Compatible with	YT-08895
Protection grade	IP67
Decompression valve	yes
External dimensions	465x355x205 mm
Internal dimensions	410x305x185 mm

Key Points

- Total water and dustproofness (IP67) protecting contents from moisture and contaminants
- Resistant to shocks, mechanical damage, and corrosion ensuring long-lasting equipment safety
- Protects against certain chemicals, increasing versatility of use
- Automatic pressure relief valve essential for air transport
- Possibility to connect with case YT-08895 creating a mobile set with increased capacity
- Made of durable technical polypropylene ensuring durability and lightness
- Foam insert with pre-cuts allows for perfect interior fit for stored items
- Hermetic cover closed with four-point clasps for secure protection
- Holes for additional padlocks increase security against theft
- Convenient, ergonomic handle facilitates carrying the case
- Material: technical polypropylene (PP)
- Protection class: IP67 (water and dustproof)
- External dimensions: 465 x 355 x 205 mm
- Internal dimensions: 410 x 305 x 185 mm
- Wall thickness: 10 mm
- Foam insert: yes, with pre-cuts
- Pressure relief valve: yes
- Connection possibility: yes, with model YT-08895
