

Vorel | Code 35031 | Sku 1035031

Vorel Paver Lifter 150cm

Key Technical Specifications

Type	Paving, strip
Working Part Material	Aluminum
Handle Material	Wood
Working Part Length	150 cm
Handle Length	150 cm

Construction

- Durable high-strength aluminum trapezoidal profile
- Reinforced with metal struts for structural rigidity
- Sturdy wooden handle
- Resistant to intensive use

Applications

- Leveling aggregate surfaces
- Preparing ground for parking lots
- Squares and paths
- Bicycle and walking paths
- Sidewalks

Benefits

- Fast and effective leveling
- High work efficiency
- Simple and intuitive operation
