

Vorel | Code 81435 | Sku 1081435

Vorel Single-Layer Unarmored Technical PVC Hose 5mm 25m

Key Technical Specifications

Material	PVC
Length	25 m
Internal Diameter	5 mm
Wall Thickness	1 mm
Temperature Tolerance	-20 to +60 °C
UV Proof	Yes

Resistance & Properties

- High plasticity and mechanical strength
- Odorless and non-toxic
- Resistant to alcohol
- Resistant to mineral oils and many solvents
- Chemical resistant
- UV proof

Applications

- Automotive
- Agriculture and gardening
- Aquaristics
- Leatherwork and decorating
- Transfer of air and liquids
- Protection for sharp edges
- Protection for electric cables
