

Vorel | Code 81437 | Sku 1081437

Vorel Single-Layer Technical Unreinforced PVC Hose 8mm 25m

Key Technical Specifications

Material	PVC
Length	25 m
Internal Diameter	8 mm
Wall Thickness	1.3 mm
Temperature Tolerance	-20 to +60 °C
UV Proof	Yes

Resistance

- Resistant to alcohol
- Resistant to mineral oils
- Resistant to many solvents
- General chemical resistance
- UV proof

Applications

- Automotive
- Agriculture and gardening
- Aquaristics
- Leatherwork and decorating
- Transfer of air and liquids
- Protection for sharp edges and electric cables

Material Properties

- High-quality polyvinyl chloride
- High plasticity and mechanical strength
- Odorless
- Harmless to mammals
