2-Door Wall Cabinet 660x305x712mm

Overview

Solid workshop cabinet made of 0.8 mm thick steel sheet, powder coated for increased resistance to corrosion and mechanical damage. Thanks to its compact dimensions of 660 x 305 x 712 mm, it is perfect as a wall-mounted cabinet above the workbench, providing convenient access to tools and accessories. Equipped with double doors locked with a lock. The stable construction and weight of 15 kg guarantee durability and safe use in the workshop, garage, or service. Dimensions: 660 x 305 x 712 mm. Sheet thickness: 0.8 mm. Material: powder coated steel sheet. Weight: 15 kg. 2 keys included.
