Pack Quantity	3 pcs
Packaging Type	Folded carton with Euro hole
EAN	4059952545141

Description

The Bosch EXPERT S473 Flex sanding pad uses a flexible, tear-resistant foam backing and Bosch Surface Structure technology for durable hand sanding. The pad conforms to curved, narrow and contoured surfaces and supports even pressure distribution. The three pads are identified by orange, yellow and green colours.

Key Features

- Designed for hand sanding of wood and paint
- Flexible foam conforms to curved and contoured surfaces
- Tear-resistant foam backing
- Bosch Surface Structure technology helps retain abrasive grain
- Reduced clogging with dust that can be shaken or washed off
- Up to 5 times longer life than Bosch C420 sandpaper, according to Bosch

Applications

- Hand sanding wood and finishing natural wood
- Sanding paint on wood
- Removing old paint from shaped furniture
- Sanding curved surfaces
- Sanding narrow surfaces such as table and chair legs
- Sanding edges, corners and contours

What's Included

- 1 x orange medium sanding pad
- 1 x yellow fine sanding pad
- 1 x green superfine sanding pad
