Starlock AIZ 32 APB BIM Plunge Cutting Saw Blade

Short Description

Bosch Starlock AIZ 32 APB BIM bi-metal plunge-cut saw blade for wood, plastics, abrasive wood materials and soft non-ferrous metal applications.

Technical Specifications

Brand	Bosch
Model	AIZ 32 APB
Mfr part no.	2 609 256 945
SKU	815474
Type	Oscillating multi-tool plunge-cut saw blade
Width	32 mm
Plunge Cutting Depth	50 mm
Material	BIM bi-metal
Arbor Size	Starlock mounting
Compatible Tools	Standard oscillating multi-tools from most brands
Application Materials	Wood, abrasive wooden materials, plastics, non-ferrous-metal pipes, profiles, soft nails and screws
Package Contents	1 piece
EAN	3165140523295

Description

Designed for oscillating multi-tools, its depressed centre supports flush cutting, while the Starlock mounting provides high power transfer from compatible oscillating multi-tools.

Key Features

- Bi-metal BIM construction for long-lasting performance
- Starlock mounting system for high power transfer
- Depressed centre for flush cuts
- Compatible with standard oscillating multi-tools from most brands

Applications

- Plunge cutting in wood
- Plunge cutting in abrasive wooden materials
- Plunge cutting in plastics
- Flush cutting
- Cutting non-ferrous-metal pipes
- Cutting non-ferrous-metal profiles
- Cutting soft nails
- Cutting screws

What's Included

- 1 x Bosch Starlock AIZ 32 APB BIM plunge-cut saw blade
