Description

The adapter enables Bosch accessories to be used with various commercially available multi-cutters manufactured before 2015 or equipped with a threaded clamp. It uses a positive-engagement connection intended to provide effective power transfer.

Key Features

- Positive-engagement design for effective power transfer
- Compatible with selected FEIN, Rockwell/Worx, Craftsman, Mastercraft and Dremel Multi-Max tools
- Package contains 1 piece

Applications

- Adapting Bosch multi-tool accessories to compatible third-party multi-cutters
- Use with selected multi-cutters manufactured before 2015
- Use with multi-cutters using a threaded clamp
- DIY, repair and renovation work using compatible oscillating multi-tools

What's Included

- 1 x Bosch Universal Adapter, 30 mm
