EXPERT MetalMax AIZ 20 AIT Plunge Cut Blade

Short Description

Bosch EXPERT MetalMax AIZ 20 AIT Starlock carbide plunge-cut blade for cutting hard metals with oscillating multitools.

Technical Specifications

Brand	Bosch
Model	AIZ 20 AIT
Mfr part no.	2608900012
SKU	817360
Type	Starlock carbide plunge-cut blade for oscillating multitools
Width	20 mm
Immersion Depth	40 mm
Material	Carbide
Arbor Size	Starlock
Compatible Materials	Steel and stainless steel
Product Family	EXPERT MetalMax
Long Life Claim	Up to 50x longer life than Bosch AIZ 20 AB
Pack Quantity	1 pc
Packaging Type	Combined cardboard/plastic Tight Pack with Euro hole

Description

Bosch specifies the blade for steel, stainless steel and other hard metals, including flush-cutting hardened screws. Its carbide technology, additional coating and flat-edge design provide long service life and reduced skidding on screws.

Key Features

- Carbide blade for hard and tough metal
- Starlock mounting for efficient power transfer and quick blade changes
- Additional coating helps increase carbide hardness and durability
- Flat-edge design helps reduce skidding on screws
- Designed for flush cutting and plunge cutting with oscillating multitools
- Bosch states up to 50 times longer life than the Bosch AIZ 20 AB blade

Applications

- Flush cutting hardened screws
- Cutting steel and stainless steel
- Plunge cutting hard metals
- Cutting metal pipes and profiles
- Use with oscillating multitools equipped with a Starlock interface

What's Included

- 1 x Bosch EXPERT MetalMax AIZ 20 AIT carbide plunge-cut blade
