EXPERT PAIZ 32 APIT MultiMax Plunge Cut Blade

Short Description

Bosch EXPERT MultiMax PAIZ 32 APIT carbide plunge cut blade with a StarlockPlus mount for oscillating multitools.

Technical Specifications

Brand	Bosch
Model	PAIZ 32 APIT
Mfr part no.	2608900028
SKU	817362
Type	Carbide plunge cut blade for oscillating multitools
Width	32 mm
Immersion Depth	55 mm
Material	Carbide
Mounting Interface	StarlockPlus
Suitable Tools	Oscillating multitools with StarlockPlus interface
Pack Quantity	1 piece
Packaging Type	Combined cardboard/plastic Tight Pack with Euro hole
Ean	4059952530802

Description

The Bosch EXPERT PAIZ 32 APIT MultiMax is designed for long-life cutting in sheet metal and abrasive materials. It features Bosch Carbide Technology, an additional carbide coating, a Curved-Tec design for controlled plunge cuts, a thin carbide blade for faster sawing, and a StarlockPlus mount for efficient power transfer and quick blade changes.

Key Features

- Bosch Carbide Technology
- Additional coating for increased carbide durability
- Curved-Tec design for controlled and clean plunge cuts
- Thin carbide blade for faster sawing
- StarlockPlus mount for efficient power transfer and quick blade changes
- Designed for sheet metal and abrasive materials
- Suitable for stainless steel sheets, fibre-reinforced plastics, fibre cement boards and brick
- Bosch claims up to 50 times longer life than the Bosch AIZ 20 AB blade

Applications

- Plunge cutting sheet metal
- Cutting stainless steel sheets
- Cutting fibre-reinforced plastics
- Cutting fibre cement boards
- Cutting brick and other abrasive materials
- Precision cutting with oscillating multitools

What's Included

- 1 x Bosch EXPERT PAIZ 32 APIT MultiMax carbide plunge cut blade
