Description

The Bosch EXPERT AVZ 70 RT4 3 max is a Carbide-RIFF accessory for oscillating multitools. Its pointed tip reaches tight corners, the carbide-grit cutting edge removes grout around tiles, and the coated plate removes mortar or tile adhesive from surfaces.

Key Features

- Three applications in one accessory
- Cuts out grout with a carbide-grit edge
- Pointed tip reaches tight corners
- Sanding plate removes mortar or tile adhesive
- Starlock mount for efficient power transfer and quick blade changes
- Suitable for oscillating multitools

Applications

- Removing grout between wall and floor tiles
- Cutting grout around damaged tiles
- Reaching grout in tight corners
- Removing mortar behind removed tiles
- Removing tile adhesive
- Rasping and sanding hard substrates

What's Included

- 1 x Bosch EXPERT AVZ 70 RT4 3 max grouting plate
