The YT-90100 hose on an automatic reel guarantees convenience and space-saving. Say Goodbye to Tangled Hoses for Good Automatic rewind system - quick and effortless hose storage Space-saving with wall mounting Convenient hose storage - no kinks or damage Housing protects the hose from UV rays and mechanical damage Perfect for daily watering and cleaning tasks Automatic Rewind Wall Mounting Durable Housing No Kinks Quick Storage Technical Data Hose Length: 15 m (plus 2 m of leading hose) Hose Diameter: 1/2" (12.7 mm) Durable Materials: ABS, PVC, PP, POM Temperature Resistance: from -10°C to +50°C Automatic rewind system Housing protects the hose from damage and UV Quick coupling 1/2” (12.7 mm) Adapter for faucet G1/2 (F) and G3/4 (F) Straight sprinkler (spraying nozzle) Mounting anchors x4 Ideal for watering lawns, flower beds, and vegetables Effective for cleaning patios, sidewalks, garden furniture, and vehicles Indispensable for home and garden use

Key Technical Specifications

Brand	Yato
Length	15 m
Symbol	YT-90100
Diameter	1/2" (12.7 mm)
Material	ABS, PVC, PP, POM
Set includes	garden hose 1/2" (12.7 mm), 15 m, 1/2" (12.7 mm) guide hose, 2 m, automatic retractor, fixing anchors x4, 1/2" (12.7 mm) quick-release coupling, 1/2" (12.7 mm) quick-release coupling stop,
Producer code	5906083119071
Hose auto rewind	yes
Set includes cont’d	Tap connection G1/2 (F) and G3/4 (F), straight sprinkler

Temperature tolerance	-10 ~ +50 C

Key Points

- Automatic rewind system - quick and effortless hose storage
- Space-saving with wall mounting
- Convenient hose storage - no kinks or damage
- Housing protects the hose from UV rays and mechanical damage
- Perfect for daily watering and cleaning tasks
- Hose Length: 15 m (plus 2 m of leading hose)
- Hose Diameter: 1/2" (12.7 mm)
- Durable Materials: ABS, PVC, PP, POM
- Temperature Resistance: from -10°C to +50°C
- Automatic rewind system
- Housing protects the hose from damage and UV
- Quick coupling 1/2” (12.7 mm)
- Adapter for faucet G1/2 (F) and G3/4 (F)
- Straight sprinkler (spraying nozzle)
- Mounting anchors x4
- Ideal for watering lawns, flower beds, and vegetables
- Effective for cleaning patios, sidewalks, garden furniture, and vehicles
- Indispensable for home and garden use
