

Bosch | Code GFM 1000-15 | Sku 818248

Bosch PRO GFM 1000-15 Fork Meter

Key Technical Specifications

AC Current	200 A
AC Voltage	1,000 V
DC Voltage	1,000 V
Resistance	60 M
Frequency Range	10 Hz to 50 kHz
True RMS	Yes
Display	LCD Inverted
Safety Class	CAT IV 600 V / CAT III 1000 V
IP Protection	IP54

Measurement Accuracy

- AC Current: $\pm 3.0\% + 3$ (0.1 A resolution)
- AC Voltage: $\pm 1.5\% + 5$ (1 V resolution)
- DC Voltage: $\pm 1.0\% + 2$ (1 V resolution)
- Resistance: $\pm 2.0\% + 5$ (0.01 M resolution)
- Continuity: $\pm 1.0\% + 5$ (0.1 resolution)
- Frequency: $\pm 0.1\% + 2$ (0.01 kHz resolution)

Features

- Open jaw design for faster measurements
- Non-Contact-Voltage (NCV) detection
- Low input impedance (LoZ) up to 1,000 V
- Continuity test with acoustic feedback
- Integrated torch light

- Compatible with MH 1 Professional magnet hanger

Durability

- IP54 protection rating
- Comfortable grip for tough jobsites
- Compact design for tight spaces
