

Bosch | Code GVT 1000-15 | Sku 818250

Bosch PRO GVT 1000-15 Voltage Tester

Key Technical Specifications

AC Voltage	1,000 V
DC Voltage	1,000 V
Safety Class	CAT IV 600 V / CAT III 1000 V
IP Protection	IP65
Display Type	LED

Testing Functions

- Voltage testing up to 1000 V AC/DC
- Continuity testing
- Polarity test
- Single pole phase test
- Phase sequence test
- RCD tripping
- Load connection via push button

Alerts & Feedback

- Visual alerts
- Acoustic feedback
- Vibration feedback
- Integrated torch light

Durability

- IP65 protection
- Impact resistant

- Stable cable-to-tool connection
- Built for tough jobsites

Safety

- Designed per IEC EN 61243-3:2014
- Confirms absence of voltage even with discharged batteries
