Bosch PRO GAS 35 M AFC Corded Dust Extractor

Key Technical Specifications

Dust Class	M
Rated Input Power	1,200 W
Max Turbine Power	1,380 W
Vacuum Pressure	254 mbar
Airflow Rate	74 l/s
Container Volume (Gross)	35 l
Container Volume (Net)	23 l
Net Water Volume	19.2 l
Filter Surface Area	6,150 cm ²
Filter Cleaning System	AFC
Voltage	230 V
Weight	12.4 kg
Plug Type	Type F

Features

- Automatic Filter Cleaning (AFC) for sustained suction
- Certified M-class dust extraction per EU standards
- Powerful 1,380 W suction turbine
- Anti-static hose
- Wet and dry extraction capable

Maximum Capacities

- Gross container volume: 35 l
- Net container volume: 23 l

-
- Net water volume: 19.2 l
 - Airflow: 74 l/s
 - Vacuum pressure: 254 mbar
