Description

The Bosch Professional PRO Impact Socket Set 2608003035 is designed for use with square-drive impact wrenches. The sockets are manufactured from heat-treated chrome-molybdenum steel, feature thick walls for high-torque applications, and have a black phosphate coating for protection against rust and corrosion.

Key Features

- Thick walls designed to resist high torque
- Corrosion protection
- Laser-marked and colour-coded socket sizes
- Groove and through-hole for pin-and-ring retention
- Supplied in a pouch

Applications

- Driving hex screws
- Driving bolts and nuts
- Use with square-drive impact wrenches
- Plant installation work
- Heavy industrial work
- Professional installation and maintenance applications
