Mfr part no.	2608900039
SKU	818631
Type	Starlock carbide-RIFF sanding finger for oscillating multitools
Working Width	32 mm
Working Depth	53 mm
Grit	100
Material	Carbide RIFF
Arbor Size	Starlock
Compatible Tool Type	Oscillating multitools
Recommended Materials	Hardwood and softwood
Pack Quantity	1 piece
Packaging Type	Combined cardboard/plastic packaging with Euro hole
Dimensions	32 x 53 mm working dimensions

Description

The Bosch EXPERT AVZ 32 RT10 is a carbide-RIFF sanding finger designed for oscillating multitools. Bosch Carbide Technology provides long-lasting sanding performance. The accessory is suitable for sanding wood, wood-plastic composite, epoxy and paint in applications such as decking, window shutters, parquet and staircases.

Key Features

- Starlock mount for efficient power transfer and fast accessory changes
- Carbide-RIFF abrasive surface with long service life
- Thin, pointed design for narrow gaps and difficult-to-reach corners

- Suitable for sanding wood and paint without separate sanding paper
- Suitable for hardwood and softwood
- Fine sanding grade RT10, equivalent to grit 100 in Bosch catalogue documentation

Applications

- Sanding wood in narrow gaps such as window shutter louvres
- Sanding parquet in hard-to-reach areas
- Sanding decking made from wood or wood-plastic composite
- Sanding epoxy materials
- Sanding paint in narrow gaps
- Sanding corners, staircases and other difficult-to-access areas

What's Included

- 1 x Bosch EXPERT AVZ 32 RT10 Carbide-RIFF sanding finger
