PRO Impact Socket, 1/2", 17 mm, Standard

Short Description

Bosch PRO 17 mm standard impact socket with a 1/2-inch square drive for impact wrenches and heavy-duty fastening applications.

Technical Specifications

Brand	Bosch
Mfr part no.	2 608 003 048
SKU	818616
Type	Impact socket
Socket Size	17 mm
Socket Length Type	Standard
Arbor Size	1/2-inch external square
Length	38 mm
Outer Diameter At Input Shank	30 mm
Outer Diameter At Output Shank	26.60 mm
For Thread	M10
Material	Heat-treated chrome-molybdenum steel
Finish	Black phosphate coating
Standard	ISO 1174-1
Pack Quantity	1 pc
Packaging Type	Plastic packaging with hanger and Euro hole
Barcode	6949509246851

Description

The Bosch PRO Impact Socket is designed for driving hexagonal screws, bolts and nuts with impact wrenches and square-drive tools. It features thick walls for high-torque applications. A black phosphate coating helps protect against rust and corrosion, while laser marking and colour coding improve size identification. The socket includes a groove and through-hole for securing it to compatible impact wrenches with a retaining pin and ring.

Key Features

- Thick walls for high-torque applications
- Corrosion protection
- Laser-marked and colour-coded for quick identification
- Groove and through-hole for retaining pin and ring
- Suitable for impact wrenches and square-drive tools

Applications

- Driving M10 hexagonal screws, bolts and nuts
- Heavy-duty plant installation work
- Industrial fastening applications
- Use with impact wrenches
- Use with square-drive adapters and tools

What's Included

- 1 x Bosch PRO Impact Socket, 1/2-inch, 17 mm, Standard
