HERMETIC TOOL BOX L390 X W295 X H170MM

Overview

The hermetic tool case YT-088973 is a robust solution for storing and transporting equipment that requires protection in challenging conditions. It is ideal for workshops, service centers, and fieldwork, where resistance to moisture, dust, and mechanical damage is essential. The increased usable space allows for the convenient storage of larger tools or more extensive sets. The durable PP plastic housing combined with an IP67-rated sealed construction effectively protects the contents from external factors. The interior, equipped with PU foam, allows for customization of the space to fit the transported items, stabilizing them and reducing the risk of movement during transport. Key product features: external dimensions 390 x 295 x 170 mm – convenient storage and transport of equipment; internal space 355 x 240 x 152 mm – functional area for tools and accessories; IP67 protection rating – effective protection against dust and water; PP plastic housing – impact resistance and durability for intensive use; shock and moisture resistance – safe transport in demanding conditions; decompression valve – equalizes pressure and facilitates opening the case; PU foam insert – customizable interior layout; weight: 2.3 kg

Key Technical Specifications

Grip	yes
Brand	Yato
Handle	no
Symbol	YT-088973
Wheels	no
Material	PP
Shockproof	yes
Waterproof	yes
Foam insert	yes
Side handle	no
Producer code	5906083132186

Protection grade	IP67
Decompression valve	yes
External dimensions	390x295x170 mm
Internal dimensions	355x240x152 mm

Key Points

- external dimensions 390 x 295 x 170 mm – convenient storage and transport of equipment
- internal space 355 x 240 x 152 mm – functional area for tools and accessories
- IP67 protection rating – effective protection against dust and water
- PP plastic housing – impact resistance and durability for intensive use
- shock and moisture resistance – safe transport in demanding conditions
- decompression valve – equalizes pressure and facilitates opening the case
- PU foam insert – customizable interior layout
- weight: 2.3 kg
