HERMETIC TOOL BOX L440 X W350 X H213MM

Overview

The hermetic tool case YT-088976 is a robust solution for storing and transporting equipment that requires protection in challenging conditions. It performs well in workshops, service centers, and during fieldwork, where resistance to moisture, dust, and mechanical damage is essential. The increased usable space allows for the comfortable storage of larger tools or more extensive sets. The durable PP plastic housing combined with an IP67-rated airtight design effectively protects the contents from external factors. The interior is equipped with PU foam, allowing for customization of the space to fit the transported items, stabilizing them and reducing the risk of movement during transport. Key product features: external dimensions 440 x 350 x 213 mm – convenient storage and transport of equipment; internal space 410 x 283 x 198 mm – functional area for tools and accessories; IP67 protection rating – effective protection against dust and water; PP plastic housing – impact resistance and durability for intensive use; shock and moisture resistance – safe transport in demanding conditions; decompression valve – equalizes pressure and facilitates opening the case; PU foam insert – customizable interior layout; weight: 2.9 kg

Key Technical Specifications

Grip	yes
Brand	Yato
Handle	no
Symbol	YT-088976
Wheels	no
Material	PP
Shockproof	yes
Waterproof	yes
Foam insert	yes
Side handle	no

Producer code	5906083132216
Protection grade	IP67
Decompression valve	yes
External dimensions	440x350x213 mm
Internal dimensions	410x283x198 mm

Key Points

- external dimensions 440 x 350 x 213 mm – convenient storage and transport of equipment
- internal space 410 x 283 x 198 mm – functional area for tools and accessories
- IP67 protection rating – effective protection against dust and water
- PP plastic housing – impact resistance and durability for intensive use
- shock and moisture resistance – safe transport in demanding conditions
- decompression valve – equalizes pressure and facilitates opening the case
- PU foam insert – customizable interior layout
- weight: 2.9 kg
