HERMETIC TOOL BOX L535 X W423 X H240MM

Overview

The hermetic tool case YT-088988 is a functional solution for the safe storage and transport of tools and equipment in demanding conditions. It is ideal for workshop, service, and field work, where protecting the contents from moisture, dust, and mechanical damage is crucial. The thoughtful design facilitates organization and stable placement of items inside. The housing made of durable PP material and the IP67 rating effectively protect the contents from external factors. The interior equipped with PU foam allows for customization of the space to the shape of the tools, minimizing their movement and increasing safety during transport. Key product features: external dimensions 535 x 423 x 240 mm – convenient storage space for equipment; internal dimensions 485 x 363 x 195 mm – functional arrangement of tools and accessories; IP67 protection rating – complete protection against dust and water resistance; PP housing – impact resistance and suitability for intensive use; shock and moisture resistance – safe transport in various conditions; PU foam insert – customizable interior layout; retractable handle – facilitates comfortable carrying of the case; weight: 5.9 kg

Key Technical Specifications

Grip	yes
Brand	Yato
Handle	yes
Symbol	YT-088988
Wheels	yes
Material	PP
Shockproof	yes
Waterproof	yes
Foam insert	yes
Side handle	no
Producer code	5906083132339

Wheel quantity	2
Protection grade	IP67
Decompression valve	yes
External dimensions	535x423x240 mm
Internal dimensions	485x363x195 mm

Key Points

- external dimensions 535 x 423 x 240 mm – convenient storage space for equipment
- internal dimensions 485 x 363 x 195 mm – functional arrangement of tools and accessories
- IP67 protection rating – complete protection against dust and water resistance
- PP housing – impact resistance and suitability for intensive use
- shock and moisture resistance – safe transport in various conditions
- PU foam insert – customizable interior layout
- retractable handle – facilitates comfortable carrying of the case
- weight: 5.9 kg
