

Yato | Code YT-69291 | Sku 1069291

LEADS 6PCS

Overview

Precision and Sharp Marking on Every Surface The YT-69291 set includes 6 spare HB leads that ensure continuity and precision when working with the YT-69290 mechanical pencil. Ideal for marking on various building and wood-derived materials. Reliable Marking on Various Materials Ensures uninterrupted work with the YT-69290 pencil Precise tracing and line marking Ideal for wood and wood-derived materials Effective on various building materials Crisp and durable lines thanks to HB graphite hardness Standard diameter of 2.8 mm for secure fitting Length of 120 mm for comfortable use Universal black color for excellent visibility Spare HB Leads Precise Tracing Versatile Use Perfect Fit Durable and Sharp Product Specifications Application: wood, wood-derived materials, building materials Compatibility: YT-69290 pencil Lead Length: 120 mm Color: black Graphite Hardness: HB Number of Leads in Set: 6 pcs.

Key Technical Specifications

For	YT-69290
Brand	Yato
Color	black
Length	120 mm
Symbol	YT-69291
Tray count	5
Application	wood, wood-based materials, building materials
Lead diameter	2.8 mm
Producer code	5906083084034
Graphite grading scale	HB

Key Points

- Ensures uninterrupted work with the YT-69290 pencil
- Precise tracing and line marking
- Ideal for wood and wood-derived materials
- Effective on various building materials
- Crisp and durable lines thanks to HB graphite hardness
- Standard diameter of 2.8 mm for secure fitting
- Length of 120 mm for comfortable use
- Universal black color for excellent visibility
- Application: wood, wood-derived materials, building materials
- Compatibility: YT-69290 pencil
- Lead Length: 120 mm
- Color: black
- Graphite Hardness: HB
- Number of Leads in Set: 6 pcs.
