

Vorel | Code 80751 | Sku 1080751

Vorel Chain Block

Key Technical Specifications

Max. Load Capacity	1000 kg
Max. Lifting Height	2.5 m
Chain Length	3 m
Load Chain Quantity	1
Load Chain Link Size	6 x 18 mm
Max. Installation Height	2.7 m
Weight	9 kg
Storage Temperature	0–40 °C

What's Included

- Chain winch
- Attachment hook
- Instruction manual

Design & Features

- Manual drive with efficient planetary gearbox
- Calibrated links made of high-quality steel
- Significant tensile strength and high resistance to aging
- Safety hook with locking device to prevent load disengagement

Applications

- Lifting heavy objects up to 1000 kg

Safety

- Do not exceed the maximum load capacity of 1000 kg
- Store at temperatures between 0 and 40 °C
