

Vorel | Code 80752 | Sku 1080752

Vorel Chain Block

Key Technical Specifications

Max. Load Capacity	2000 kg
Max. Lifting Height	2.5 m
Chain Length	3 m
Load Chain Quantity	2
Load Chain Link Size	6 x 18 mm
Max. Winch Installation Height	2.7 m
Weight	12 kg
Storage Temperature	0–40 °C

Key Features

- Manual drive with efficient planetary gearbox
- Lifts loads up to 2000 kg
- Calibrated links of high-quality steel with high tensile strength
- High resistance to aging

Safety

- Safety hook with locking device
- Prevents load from disengaging
