Bosch PRO GLL 12V-100-33 CG + BT 150 Professional

Short Description

Professional Bosch green line laser with three 360° laser lines, dual 12 V Li-Ion/AA power supply, Bluetooth connectivity and BT 150 building tripod.

Technical Specifications

Brand	Bosch
Model	GLL 12V-100-33 CG
Mfr part no.	0 601 065 401 + 0 601 096 B00
SKU	818523
Type	Green 3 x 360° line laser with building tripod
Dimensions	162 x 89 x 139 mm laser; tripod packaging dimensions 105 x 110 x 580 mm
Weight	0.96 kg laser; 1.3 kg BT 150 tripod
Projection	3 x 360° lines
Laser Colour	Green
Laser Class	Class 2
Laser Diode	500-540 nm, <10 mW
Accuracy	±0.3 mm/m
Self Levelling Range	±4°
Levelling Time	4 s
Working Range	30 m standard; 100 m radius with LR 7 receiver
Compatible Receiver	LR 7 Professional
Protection Rating	IP65
Power	12 V Li-Ion battery or 4 x 1.5 V LR6 (AA) batteries
Voltage	12.0 V
Operating Time	Up to 6 hours with Li-Ion battery; up to 4 hours with four AA batteries in 3-line mode
Tripod Thread Laser	1/4 inch and 5/8 inch
Tripod Thread	1/4 inch
Tripod Work Height	55-157 cm

Description

The GLL 12V-100-33 CG is a robust green line laser for horizontal and vertical levelling, alignment and layout work. It supports both 12 V Li-Ion batteries and four AA batteries. The associated Bosch BT 150 Professional tripod has an adjustable working height and its own tripod thread.

Key Features

- Bright green laser lines for high visibility
- Self-levelling with fast levelling time
- IP65 dust and splash protection for the tool
- Dual power source flexibility: 12 V Li-Ion battery or AA batteries
- Bluetooth connectivity and Levelling Remote app support
- Compatible with LR 7 receiver for extended range
- Paired with Bosch BT 150 Professional building tripod

Applications

- Wall and partition alignment
- Tile and flooring installation
- Staircase construction
- Horizontal and vertical levelling
- Large-area layout and alignment work
- Interior construction and general building layout

What's Included

- Bosch PRO GLL 12V-100-33 CG line laser
- Bosch BT 150 Professional building tripod
- Universal mount LB 10 Professional
- Laser target plate
- AA1 alkaline battery adapter
- 4 x 1.5 V LR6 AA batteries
- Protective pouch
