95 dB(A) sound-power level; 84 dB(A) sound-pressure level;
uncertainty K=3 dB

Description

The Bosch Professional PRO GTR 550 is a corded drywall sander designed for extensive sanding of walls and ceilings and for preparing surfaces before filling, plastering or leveling.

Key Features

- UltraFlexible Head for smoother movement across ceilings and walls
- Ceiling-suction feature helps reduce perceived tool weight
- Constant electronic speed control
- Ergonomic L-shaped handle
- Optimized airflow for dust extraction and extended tool life
- Quick-release brush segment for sanding close to walls
- Fast-change extension-pole locking system
- Soft sanding-pad set supplied
- Soft start

Applications

- Dry sanding filled drywall
- Sanding walls and ceilings
- Preparing surfaces for filling, plastering or leveling
- Removing paint coatings
- Removing adhesive residues
- Removing loose plaster

What's Included

- Carrying case
- Dust-extraction adaptor, part number 1 607 000 F2K
- Soft sanding-pad and intermediate-pad set, 215 mm, part number 2 608 000 766
- 1 x C470 Best for Wood + Paint sanding sheet, grit 180
- 3 x cable clips, spare-part number 1 619 PB6 088
