HEDGE TRIMMER 18V, 56 CM - BODY

Overview

Ideal for pruning and shaping shrubs and hedges. Equipped with a two-sided cutting bar with laser-sharpened knives and a bumper to protect against kickback when cutting close to walls and the ground. Two-stage switch-on system prevents accidental starting. Allows cutting branches and vines up to 16 mm thick and continuous operation for 45 minutes on a single 2 Ah battery charge. Low weight of the device makes it easy to work with arms raised optimally located center of gravity due to the central location of the battery full control over the device – safety brake to protect the user low vibration levels anti-skid handle 4-stage battery charge indicator battery cell overheating protection 18 V system – operation on a common battery, matching the series of devices sale spare batteries with capacities: 2 Ah (YT-82842), 3 Ah (YT-82843), 4 Ah (YT-82844) and 6 Ah (YT-82845) Also available with battery and charger - YT-82832. SYSTEM 18 V The 18-V System is YATO's series of cordless tools that powered by the same durable battery. You can buy the devices in a set with a battery and a fast charger, or solo, which is ideal when you're expanding your tool set. Battery-powered power gives you freedom and greater comfort. In addition, YATO cordless tools are durable, handy and perfectly balanced. So that working with them is a pleasure. Professionalism Power, modernity, refined solutions – all this we offer in a series of 18 V devices, created for the most demanding users and professionals. Saving money No need to buy multiple batteries and chargers for more tools. With the 18-volt system, you save money, space at home and the environment! Choice When your demands grow, the 18-volt collection grows too. With a wide selection of tools for the home, workshop and garden, you can create the kit you really need.

Key Technical Specifications

Brand	Yato
Symbol	YT-82833
Weight	2.6 kg
Voltage	18 V d.c.
Vibrations	3.5 ± 1.5 m/s ²

Battery type	Li-Ion
Cutting speed	1050 min ¹
Low vibration	yes
Producer code	5906083025266
Acoustic power	87.0 ± 3.0 dB(A)
Cutting length	560 mm
Battery quantity	lack
Charger included	no
Acoustic pressure	80.0 ± 3.0 dB(A)
Max. cutting diameter	19 mm
Electric insulation class	III

Key Points

- Low weight of the device makes it easy to work with arms raised
- optimally located center of gravity due to the central location of the battery
- full control over the device – safety brake to protect the user
- low vibration levels
- anti-skid handle
- 4-stage battery charge indicator
- battery cell overheating protection
- 18 V system – operation on a common battery, matching the series of devices
- sale spare batteries with capacities: 2 Ah (YT-82842), 3 Ah (YT-82843), 4 Ah (YT-82844) and 6 Ah (YT-82845)
- Professionalism Power, modernity, refined solutions – all this we offer in a series of 18 V devices, created for the most demanding users and professionals.
- Saving money No need to buy multiple batteries and chargers for more tools. With the 18-volt system, you save money, space at home and the environment!
- Choice When your demands grow, the 18-volt collection grows too. With a wide selection of tools for the home, workshop and garden, you can create the kit you really need.
