### Description

The fischer PowerFast FPF II CZF is a galvanized, blue-passivated, hardened-steel chipboard screw designed for fastening timber components, wood-based panels, fittings and metal components to wood. The countersunk head enables flush installation in wood, while the full thread provides continuous load transfer.

## Key Features

- Countersunk head for flush installation in wood
- High-performance glide coating to reduce driving torque
- ETA-approved PowerFast II screw family

## Applications

- Fastening solid softwood and hardwood
- Fastening glulam
- Fastening cross-laminated timber
- Fastening laminated veneer lumber
- Fastening wood-based panels
- Connecting metal fittings, brackets and metal components to wood
- Carpentry and general timber construction
- Furniture assembly and interior fitting
- Fixing skirting boards and door or metal fittings
- Applications using approved loads with suitable fischer anchors

## What's Included

- 10 x fischer PowerFast FPF II CZF 5.0 x 30 mm screws
