Finish	Zinc-plated; chrome VI-free coating
Approvals	ETA-19/0175; DoP No. W0020; Test Report No. 201811-0081:2021
Pack Quantity	8 screws
Gtin Ean	4048962428315

Description

The fischer PowerFast II FPF II PZF is designed for fast and versatile fastening in timber and wood-based materials. Its raised pan head is suitable for fixing metal components to wood, including metal anchors, brackets and connectors.

Key Features

- PowerFast II geometry for fast installation
- Full-thread design for increased pull-out resistance
- Raised pan head suitable for metal-to-wood connections
- Chrome VI-free zinc plating
- Suitable for solid wood, softwood, glued laminated timber, cross-laminated timber and similar wood-based panels

- Suitable for use with fischer plugs where recommended loads apply

Applications

- Fastening solid wood and softwood components
- Connecting glued laminated timber and cross-laminated timber
- Fixing metal components to wood, including anchors, brackets and connectors
- Fastening wood-based panels and similar glued wood components
- Use with compatible fischer plugs where recommended loads apply

What's Included

- 8 x fischer FPF II PZF 5.0 x 60 screws
