PowerFast FPF II PZF 5.0 x 40 BC 10

Short Description

Blue-passivated, galvanically zinc-plated fischer PowerFast II chipboard screw with pan head, PZ2 cross drive and full thread.

Technical Specifications

Brand	Fischer
Model	FPF II PZF 5.0 x 40 BC
Mfr part no.	560674
SKU	816502
Type	Chipboard screw
Diameter	5 mm
Core Diameter	3.25 mm
Shank Diameter	3.7 mm
Head Diameter	10 mm
Head Height	3.4 mm
Thread Length	34 mm
Head Type	Pan head
Arbor Size	PZ2
Spindle Thread	Full thread
Material	Hardened carbon steel
Coating	Blue-passivated, galvanically zinc-plated; minimum 5 µm zinc coating
Corrosion Resistance	EN 1995-1-1 service classes 1 and 2
Approvals	ETA-19/0175; DoP No. W0020
Packaging	Folding box
Pack Quantity	10 pieces
Gtin Ean	4048962428292

Description

The fischer PowerFast FPF II PZF BC is a hardened-steel chipboard screw designed for timber connections and for fastening metal components to wood, including brackets, metal fittings and joist hangers. Its blue-passivated zinc coating and high-performance wax coating support corrosion resistance and lower driving torque.

Key Features

- Pan head suitable for metal-to-wood connections
- High-performance wax coating
- Suitable for load-bearing timber applications subject to the applicable approval requirements
- Suitable for use with selected fischer wall plugs at their recommended load capacities

Applications

- Load-bearing timber structures, subject to the applicable approval requirements
- Connections involving solid wood
- Connections involving engineered wood components and wood-based panels
- Fastening metal fittings to wood
- Fixing brackets, angles and joist hangers to wood
- Mounting thin components and less-firm wood materials such as softwood
- Use with selected fischer wall plugs at their recommended load capacities

What's Included

- 10 x fischer FPF II PZF 5.0 x 40 BC screws
