Description

The fischer PowerFast II PZF is a full-thread chipboard and wood screw designed for general timber connections and metal-to-wood fixings.

Key Features

- Full-thread design
- Round head suitable for metal-to-wood connections
- Optimized thread pitch for faster installation
- Three-ribbed tip for rapid bite and easier starting
- Wax coating designed to reduce screw-in resistance
- Compatible with nylon plugs

Applications

- General timber connections
- Fixing metal components to wood
- Furniture and door hardware
- Angle brackets
- Joist hangers
- Connections involving solid wood, softwood and hardwood
- Chipboard, OSB and plywood applications
- Use with nylon plugs

What's Included

- 15 x fischer FPF II PZF 4.5 x 25 mm screws
- BB1 retail pack
