FPF II PZF 4.5 x 50 BC 10

Short Description

fischer PowerFast II full-thread chipboard screws with a pan head, PZ2 cross drive and blue-passivated zinc coating.

Technical Specifications

Brand	Fischer
Mfr part no.	560673
SKU	816501
Type	Full-thread pan-head chipboard screw with PZ cross drive
Diameter	4.5 mm
Length	50 mm
Thread Length	45 mm
Head Form	Pan head
Drive	PZ2
Thread Type	Full thread
Material	Steel
Coating	Blue-passivated zinc plating
Approvals	ETA-19/0175; DoP No. W0020; Report No. 201811-0081:2021
Amount	10 pcs
Gtin	4048962428285

Description

Its increased thread pitch, tip ribs and milling geometry support fast installation and reduced screw-in torque. The screw is suitable for wood-to-wood and metal-to-wood connections, including solid wood, glued laminated timber, cross-laminated timber, veneer laminated timber and wood-based panels.

Key Features

- Full-thread design
- Pan head suitable for metal-to-wood and wood-to-wood connections
- Increased thread pitch for faster installation
- Three tip ribs for quick bite and pre-drilling
- Shank-miller and core-miller geometry designed to reduce installation torque
- High-performance wax coating
- Blue-passivated zinc plating without chrome VI

- Suitable for use with selected fischer plugs

Applications

- Load-bearing wooden constructions
- Connections between solid wood parts
- Connections involving glued laminated timber
- Connections involving cross-laminated timber
- Connections involving veneer laminated timber
- Connections involving wood-based panels
- Metal-to-wood connections
- Fixing metal fittings, angles and beam shoes
- Use with compatible fischer plugs and recommended loads

What's Included

- 10 x fischer FPF II PZF 4.5 x 50 BC screws
