2 x GBA 12V 2.0Ah + GAL 12V-40

Short Description

Bosch Professional 12V starter set containing a GAL 12V-40 quick charger and two GBA 12V 2.0Ah lithium-ion batteries.

Technical Specifications

Brand	Bosch
Model	GAL 12V-40 with 2 x GBA 12V 2.0Ah batteries
Mfr part no.	1 600 A01 9R9
SKU	811705
Type	Cordless battery and charger starter set
Charger Model	GAL 12V-40 Professional
Battery Quantity	2
Battery Capacity	2 Ah per battery
Voltage	12.0 V battery voltage; 12 V battery charging voltage
Cell Type	Li-Ion
Charge Current	4 A
Speed	Charging time for 2.0Ah battery: approximately 24 minutes to 80% and 35 minutes to 100%
Weight	Battery: 0.175 kg each; charger: 0.45 kg
Compatibility	Bosch Professional tools in the same 12V voltage class
Battery Part Number	1 600 Z00 02X
Charger Part Number	1 600 A01 9R4
Dimensions	Packaging dimensions: 182 x 226 x 117 mm

Description

The charger can charge a 2.0Ah battery from 0% to approximately 80% in 24 minutes and to approximately 100% in 35 minutes. The set is supplied in a cardboard box.

Key Features

- Compatible with Bosch Professional tools in the same 12V voltage class
- Compact battery design for the Bosch Professional 12V tool range

Applications

- Powering Bosch Professional 12V cordless tools
- Charging Bosch Professional 12V lithium-ion batteries
- Replacement or expansion of an existing Bosch Professional 12V battery system

What's Included

- 1 x GAL 12V-40 Professional quick charger
- 2 x GBA 12V 2.0Ah lithium-ion batteries
- 1 x cardboard box
