GHG 20-63 Professional Heat Gun

Short Description

Professional 2,000 W heat gun with digital temperature adjustment, three airflow settings, thermal protection and a working temperature range of 50–630 °C.

Technical Specifications

Brand	Bosch
Model	GHG 20-63
Mfr part no.	06012A62L0
SKU	813119
Type	Heat gun
Dimensions	86 x 245 x 201 mm (width x length x height)
Weight	0.65 kg
Power	2,000 W
Voltage	240 V
Airflow	150–500 l/min
Airflow Control	3 settings
Working Temperature	50–630 °C
Temperature Adjustment	Adjustable in 10 °C increments
Cooling Stage	50 °C
Thermal Protection	Yes
Vibration	ah < 2.5 m/s ² ; K = 1.5 m/s ²
Noise Level	66 dB(A) sound pressure level; 77 dB(A) sound power level; uncertainty K = 3 dB
Internal Bosch Part Number	3601BA62L0

Description

The Bosch GHG 20-63 Professional is a corded heat gun designed for renovation, paint and varnish removal, plastic forming and welding, adhesive softening, soldering, heat-shrink work and thawing water pipes. Thermal protection can switch off the heating element while the fan continues running.

Key Features

- Digital temperature adjustment in 10 °C increments
- 50 °C cooling stage
- Thermal protection regulation
- Stable cooling position
- 2,000 W rated input power

Applications

- Removing paint and varnish
- Softening adhesives
- Deforming and welding plastic
- Heat-shrinking plastic tubes
- Soldering and tinning
- Thawing frozen water pipes
- Renovation work
- General hot-air applications

What's Included

- Bosch GHG 20-63 Professional heat gun
- Five nozzle attachments
- Standard product packaging
