Bosch GAL 1880 CV Fast Charger

Short Description

Bosch Professional GAL 1880 CV fast charger for Bosch Professional 14.4 V and 18 V lithium-ion batteries, featuring an 8 A charging current and active air cooling.

Technical Specifications

Brand	Bosch
Model	GAL 1880 CV
Mfr part no.	2607225924
SKU	815809
Type	Lithium-ion battery charger
Weight	0.7 kg
Voltage	Battery charging voltage: 14.4–18 V; mains input: 230 V AC, UK version
Plug Version	UK plug
Charge Current	8.0 A
Cooling System	Active air cooling
Cable Management	Integrated cable winding
Protection Class	Class II
Included Indicators	Green battery-charge indicator and red temperature-monitoring/error indicator
Permitted Charging Temperature	0–45 °C
Charging Time 1.5 Ah	Approximately 10 minutes to 80% and 25 minutes to 100%
Charging Time 2.0 Ah	Approximately 15 minutes to 80% and 30 minutes to 100%
Charging Time 4.0 Ah	Approximately 25 minutes to 80% and 35 minutes to 100%
Charging Time 5.0 Ah	Approximately 35 minutes to 80% and 45 minutes to 100%

Charging Time 6.0 Ah	Approximately 35 minutes to 80% and 55 minutes to 100%
Charging Time ProCORE 18V 4.0 Ah	Approximately 32 minutes to 80% and 51 minutes to 100%
Charging Time ProCORE 18V 8.0 Ah	Approximately 68 minutes to 80% and 79 minutes to 100%
Charging Time ProCORE 18V 12.0 Ah	Approximately 113 minutes to 80% and 126 minutes to 100%
Battery Compatibility	Bosch Professional 14.4–18 V lithium-ion batteries and AMPSHare-compatible batteries
Packaging Dimensions	140 x 250 x 100 mm

Description

The GAL 1880 CV automatically detects battery voltage and uses active air cooling to help reduce charging times and extend battery service life. It is also compatible with AMPSHare Alliance batteries. The 2607225924 variant is the UK-version charger.

Key Features

- Automatic charging-voltage detection
- Active air cooling to reduce charging times and extend battery service life
- Integrated cable winding
- Green charging-status indicator
- Red temperature-monitoring and fault indicator

Applications

- Charging Bosch Professional 14.4 V and 18 V lithium-ion batteries
- Charging compatible AMPSHare lithium-ion batteries
- Workshop, construction-site and trade applications

What's Included

- GAL 1880 CV quick charger
- Cardboard box
