PRO GKE 18V-25 TP

Short Description

Professional cordless telescopic pole pruner with an 18 V brushless motor, 25 cm guide bar and adjustable telescopic reach up to 2.9 m.

Technical Specifications

Brand	Bosch
Model	GKE 18V-25 TP
Mfr part no.	3600HD6000
SKU	818291
Type	Cordless telescopic pole pruner
Dimensions	2400 x 190 x 160 mm
Guide Bar Length	250 mm
Effective Cutting Length	230 mm
Maximum Cutting Diameter	230 mm
Telescopic Height Adjustment	2400-2900 mm
Chain Gauge	1.1 mm
Chain Pitch	0.325 inch (8.25 mm)
Speed	7.7 m/s no-load chain speed
Weight	5.1 kg without battery
Voltage	18 V
Motor Type	Brushless
Chain Lubrication	Automatic chain lubrication
Noise Level	78 dB(A) sound pressure level; 95 dB(A) sound power level
Battery Platform	Bosch Professional 18V System and AMPShare
Recommended Battery	Bosch Professional 18V battery, minimum 5.5 Ah recommended
Order Number	0 600 8D6 000

Description

The Bosch Professional PRO GKE 18V-25 TP is designed for trimming high and thicker branches from ground level. It features variable speed control, automatic chain lubrication and a chain-tensioning system with a magnetic captive nut. Battery and charger are not included in this solo variant.

Key Features

- Variable speed control
- Magnetic captive nut for easier chain tensioning and maintenance
- Compatible with Bosch Professional 18V System and AMPShare batteries
- Branch-clearing hook for working in confined areas
- Tool separates into two parts for transport
- Shoulder strap included
- 18 V cordless operation
- Adjustable telescopic reach from 2.4 m to 2.9 m

Applications

- Pruning high tree branches from ground level
- Trimming thicker branches at different heights
- Tree and garden maintenance
- Professional landscaping and grounds maintenance
- Clearing cut branches with the integrated branch hook

What's Included

- Bosch PRO GKE 18V-25 TP cordless pole pruner
- 25 cm scabbard
- Shoulder strap
- Srench
- Cardboard packaging
- Battery and charger not included
