PRO GWS 18V-11

Short Description

Bosch Professional 18 V cordless angle grinder with 115 mm disc capacity, 9,000 rpm no-load speed and equivalent corded power of 1,100 W.

Technical Specifications

Brand	Bosch
Model	GWS 18V-11
Mfr part no.	0 601 9N4 101
SKU	818330
Type	Cordless angle grinder
Disc Size	115 mm
Arbor Size	22.23 mm bore diameter
Spindle Thread	M14
Weight	1.7 kg excluding battery
Power	1,100 W equivalent corded power
Voltage	18.0 V
Speed	9,000 rpm no-load speed
X Lock	No
Bitturbo	No
Manufacturer	Robert Bosch Power Tools GmbH
Packaging Dimensions	132 x 390 x 160 mm (width x length x height)
Internal Product Number	3601JN4101

Description

The specified variant includes a protective guard.

Key Features

- Anti-vibration auxiliary handle
- Slimmer grip designed to reduce user fatigue
- Integrated safety features
- Suitable for light-to-medium cutting and grinding tasks
- BITURBO: No

Applications

- Light-to-medium cutting
- Light-to-medium grinding
- Deburring
- Rust removal
- Line maintenance
- Repairs
- Maintenance, repair and operations work
- Final onsite installations

What's Included

- Quick-locking nut, part number 2 608 000 684
- Vibration Control auxiliary handle, part number 2 608 900 000
- Backing flange, part number 1 605 703 099
- Protective guard, part number 1 605 510 365
