PRO GKS 9 Hand-Held Circular Saw with Bosch Eco for Wood Circular Saw Blade

Short Description

Heavy-duty Bosch PRO GKS 9 corded hand-held circular saw supplied with a 235 mm Bosch Eco for Wood circular saw blade.

Technical Specifications

Brand	Bosch
Model	GKS 9
Mfr part no.	06015A2070 / 2608644405
SKU	819162
Type	Corded hand-held circular saw and circular saw blade kit
Disc Size	235 mm maximum; 230 mm minimum
Blade Diameter	235 mm
Blade Thickness	1.8 mm
Blade Cutting Width	2.8 mm
Baseplate	383 x 170 mm
Maximum Cutting Depth At 0 Degrees	85 mm
Maximum Cutting Depth At 45 Degrees	65 mm
Arbor Size	Saw: 25 mm mounting bore; referenced blade: 30 mm bore with 25 / 22 mm reduction-ring options
Power	2050 W
Speed	5300 rpm no-load speed; 3500 rpm maximum loaded speed
Voltage	230 V nominal

Weight	7.6 kg
Protection Class	Class II
Blade Part Number	2608644405
Blade Tooth Shape	ATB
Blade Number Of Teeth	60
Blade Hook Angle	15 degrees
Blade Relief Angle	15 degrees
Blade Cutting Result	Fine cut
Blade Maximum Rotation Speed	6500 rpm
Guide Rail Compatibility	No

Description

The Bosch PRO GKS 9 is a high-power corded hand-held circular saw designed for demanding wood-cutting applications. The referenced kit also includes Bosch Eco for Wood circular saw blade, a 60-tooth blade intended for fine cuts in wood.

Key Features

- High-power motor for demanding wood-cutting applications
- Bosch Eco for Wood blade delivers fine cuts in wood
- Not compatible with Bosch guide rails according to the manufacturer product page
- 2,050 W rated input power
- 5,300 rpm no-load speed
